

# Space Camp USA

- Day 1:** **Australia — Los Angeles**  
Depart Australia for Los Angeles. International dateline allows you to arrive almost around the same time as you depart Australia. Upon Arrival into Los Angeles you will be transferred to your hostel by coach.
- Day 2:** **Los Angeles - Disneyland - Los Angeles**  
This morning you will be transferred by coach to Disneyland where you will have a day to explore one of the most famous theme parks in the world. After your eventful day out you will return to your hostel by coach.
- Day 3:** **Los Angeles—Universal Studio’s—Huntsville, Alabama**  
This morning you will enjoy a full day Los Angeles Sights Tour including Mount Wilson Observatory, Beverly Hills Homes, Rodeo Drive, Grauman’s Chinese Theatre and the famous Hollywood Boulevard. This afternoon you will be dropped off at Universal Studio’s. You will then be transferred by coach to the airport for your late flight to Huntsville, Alabama.
- Day 4:** **Huntsville Spaces Camp (D)**  
On arrival this morning make your own way to the Space Camp with your teacher. The US Space Camp is hosted by the US Space & Rocket Center in Huntsville, Alabama. The camp revolves around themes of space travel and exploration.
- Day 5-8:** **Space Camp (BLD)**  
During this weeklong program, you will experience hands-on training, as well as learn about the mental, emotional, and physical demands astronauts must face.
- Day 9:** **Huntsville - Los Angeles (B)**  
This morning make your own way to the airport with your teacher for your flight to Los Angeles. Upon arrival into Los Angeles you will be transferred by coach to your hostel.
- Day 10:** **Los Angeles - Australia**  
Today you will be transferred to the airport by coach for your flight back to Australia.
- Day 11:** **Date Line**  
Day crossing the date line.
- Day 12:** **Australia**  
Arrive home.
